

Fintech Career Accelerator Scheme

Fintech is changing our business and creating exciting possibilities for us all. At Hang Seng Bank, we appreciate the importance of developing young talent as the creative engine for our constantly evolving and innovative environment. Join us to gain valuable expertise at the forefront of a smart, dynamic, and innovative banking institution – **an environment where you can flourish.**

Duration: 6 / 11 Months Full-time Employment (Subject to availability)

Eligibility: All full-time students from all disciplines who have a keen interest in cutting-edge fintech developments.

A technical background is NOT a prerequisite for non-programming jobs.

Programme Highlight:

A fintech internship will equip you with valuable digital project expertise. Perform well and you might be considered for early selection for our Management Trainee Programme or other graduate opportunities.
