

# FUTURE BANKING BRIDGING PROGRAMME 2022

Application Period

8 Sep THURS 2022 – 10 Oct MON 2022

Fun or prospects, why not both?

## Overview

Future Banking Bridging Programme 2022 is a pathway for you to gain a quick yet in-depth look into the world of banking. In the bridging programme, you will have a glimpse of the hottest topics in the banking industry, interactive dialogue with bankers and a chance for visiting a bank to experience a day in the life of a banker. You will also get the first-hand tips, ranging from job searching to interview, to help you land on a banking position successfully.

## Objective

The Programme will comprise crash courses and group projects about the banking industry. What you will learn:

- **Deepened understanding** of the ins and outs of the banking industry and its prospects.
- **Practical knowledge** and the **latest developments** in the hottest areas of banking.
- **Direct dialogue** with bankers on banking experiences as well as career opportunities and prospects.
- **Valuable interactions** and **networking opportunities** with industry practitioners and peers.
- A unique chance to experience **a day in the life of a banker**.

## Target Audience

Hong Kong residents who are full-time students of 11 universities in Hong Kong (of any disciplines, study levels and study years) at the time of enrolment

## Programme Structure

The bridging programme is **Two half-day** sessions on **Banking Knowledge, ESG, Soft Skills, Technology** and a group project. Selective best performing participants will be granted job shadowing opportunities in the third half-day session for real-life experience of a banker

Day 1

B.E.S.T. Training

Day 2

Bankers' Dialogue  
+  
Group Project

Day 3

Bank Job  
Shadowing
