Candidate Number ① TANG Po Chai

English in page 2

我是鄧寶齊，傳理學院傳播系公關專修四年級學生，競選教務議會代表全體本科生的席位。我熟悉粵普英三語，能與所有同學交流。我為人熱心，善於聆聽，目前擔任性別研究學會(Gender Studies Society) 會長，擁有四段實習經歷，擅長尋找和運用資源、建立社群和傳遞信息，並與浸大七大學院的同學皆有聯繫。過去三年，我經歷及瞭解到同學面臨選課資訊分散、課程建議與學分要求衝突、住宿政策不透明，也體會到校內支援與友善環境的重要。這些聲音往往無處表達，浸大七千多名本科生需要一位更積極、更透明、更願意接受同學監督的代表。

若當選，我會優先推動四方面。

第一，學術與資源：檢討選課指引及 AR 分配的課程編排，減少同學因資訊不足而選錯課或延誤畢業；同時加強推廣實習、就業及交流資源，提供更集中、易明、可及的資訊平台，讓同學更容易找到和善用校內外機會。

第二，住宿：公開宿舍評分準則的更多細節，包括 Hall Contribution、College Contribution 及 local & non-local pairing scheme 的評分項目、權重和流程，讓同學清楚了解分配機制及如何賺取住宿分數等資訊。

第三，校園生活支援、共融與校園無障礙：檢討校內 SEN 支持體系，為有實際需要者提供替代評估及支援；推動涵蓋尊重、微歧視與知情同意的網上教育課程；並爭取改善校園交通與無障礙設施，包括研究增設來往新舊校園的穿梭巴士。

第四，教務議會透明度與代表性：提升教務議會透明度與諮詢，並爭取增加本科生席位。

我會以聆聽、透明為原則，定期向同學匯報。請選「全體本科生代表」類別，投 **1 號** 候選人一票。如有意見想表達，歡迎聯絡：tangpochai@gmail.com。謝謝！

I am **Tang Po Chai**, a Year 4 undergraduate student in the School of Communication, majoring in Communication with a concentration in Public Relations, running for the Senate seat representing all undergraduates. I am fluent in **Cantonese, Mandarin and English**, and can communicate with all students. I am warm-hearted and a good listener. I am currently President of the Gender Studies Society, have completed four internships, and am skilled at identifying and utilising resources, building communities and communicating information. I also have connections with students across HKBU's seven faculties and schools. Over the past three years, I have experienced and observed the scattered and unclear course selection information, conflicts between course recommendations and credit requirements, and unclear Halls and accommodation policies that students face. I also understand the importance of on-campus support and a friendly environment. These voices often have nowhere to be heard. With over 7,000 undergraduates at HKBU, we need a representative who is more proactive, more transparent, and more willing to be held accountable by students.

If elected, I will prioritise four areas.

First, Academic and Resources: review course selection guidelines and course scheduling assigned by the Academic Registry (AR), so as to reduce the risk of students choosing the wrong courses or delaying graduation due to insufficient information. At the same time, strengthen the promotion of internship, career and exchange resources, and provide a more centralised, easy-to-understand and accessible information platform, so that students can more easily find and make good use of opportunities on and off campus.

Second, Accommodation: disclose more details of the hall marks related criteria, including the scoring items, weightings and procedures of Hall Contribution, College Contribution and the local and non-local pairing scheme, so that students can clearly understand the allocation mechanism and how to earn hall contribution marks.

Third, Campus Life Support, Inclusion and Campus Accessibility: review the University's SEN support system and provide alternative assessment and support for those with genuine needs; promote online educational courses covering respect, microaggressions and consent; and advocate for improved campus transport and accessibility, including shuttle bus service between the new and old campuses.

Fourth, Senate Transparency and Representation: enhance the transparency of and consultation with the Senate, and advocate for more undergraduate seats.

I will work on the principles of listening and transparency, and report back to students regularly. Please select the **"representing all undergraduates"** category and vote for **Candidate No. 1**. If you have any views you would like to share, please contact me at tangpochai@gmail.com. Thank you!
