

Candidate: UMEMORI Aiji Caballero
Running for: Taught Postgraduate Representative

Election Statement

Hello everyone! I am Aiji Umemori from the MSc in Finance - Fintech and Financial Analytics programme, running to be your representative for the Taught Postgraduate position in the Senate.

As a student from the Philippines, I have experienced firsthand the challenges of adjusting to our new lives: whether in finding our way through the streets of Hong Kong, or in making new friends among different nationalities. It has been terrifying, and it poses a question as to what we want to achieve in our time at HKBU.

With this in mind, I aim to help each and every one of you maximise your experience, and we shall do it in the following ways:

1. Dedicated WhatsApp Community for all TPGs to stay updated on relevant academic and extra-curricular matters;
2. Social Gatherings to foster friendships between different nationalities and TPG programmes;
3. Sports Activities to promote health and fun competition;
4. Grievance Forms to ensure safety and well-being;

and many more! Let us work together to create a year worth remembering at HKBU :)
