

The Leadership Qualities Centre (LQC) of the Office of Student Affairs (SA) aims to empower HKBU students to become committed global and local citizens, assume active roles to face and resolve global challenges and to become proactive contributors in local community. We organise a wider range of student development programmes and co-curricular activities to help students realise their potential.

We hope you find this e-newsletter informative. We shall keep our students and colleagues abreast of our latest news and enrichment programmes arranged by LQC. Do drop by your mailbox regularly on the upcoming activities.

Spotlight

HKBU Community Experience Project offered HKBU students volunteering opportunities of not less than 54 hours during the summer vacation in 2022. Students got the opportunities to participate in a variety of services at 15 NGOs or social enterprises, including teaching, health education, environmental work, business development, multimedia creation and etc. They contributed more than 2,800 hours of service with a number of beneficiaries exceeding 3,300. What's New

Co-Curricular Learning (CCL)

Social distancing under pandemic has kept people apart. Dating sites and social media thus become the platform where lonely hearts hunt for virtual relations and search for the only love in life. At the same time, more and more romance scams emerge. This seminar will identify common pitfalls of romance scams and equip you with the skills of online social networking. Dating or defrauding? Let's find out in this seminar!

Cultural Literacy (LIVE)

My Life on the Fringe is a cross-culture, unique solo play exploring the topic of diversity and nature. An Indian professional dancer found himself teaching dance on a piece of land which used to be paddy field in an area of Hong Kong which was well-known for pearl clams but no more.

LIVE Friends

To live a full university life, you must join LIVE – an exciting and enriching programme of arts and cultural activities!

External Learning Opportunities

The 10th Asian Youth Leaders Travel and Learning Camp aims to bring student leaders worldwide, through engaging activities, to enhance students' abilities in cross-cultural interaction and cooperation, which will further equip students to be effective leaders.

Highlights

Community Engagement

Nearly 100 students have participated in the HKBU Skilled Volunteer Cadre, a holistic programme for nurturing students into servant leaders. By attending trainings, students will be able to learn different core skills in order to deliver innovative service. By addressing the needs of the community, students are expected to develop empathetic minds with keen concerns to the society.

Community Engagement

Three projects have been selected and granted a total of HK\$40,000 to actualise students' dreams on promoting Chinese Medicine, serving low-income families and advocating green lifestyle respectively. Special thanks to Mr. Nicholas Ooi from CISL and alumna Ms. Joyce Ng for serving as our judges.

Community Engagement

Collaborated with School of Chinese Medicine and Department of Religion and Philosophy, 'Path to Service Leadership in Health Services' is re-run. Over 40 students visited two elderly centres in Tuen Mun and Sham Shui Po to understand the needs of the elderly so as to facilitate their planning of delivering care services.

Cultural Literacy (LIVE)

Collaborated with One Table Two Chairs Charitable Foundation, 'General Zhou Yu Duk Duk Chang' is a cross-disciplinary performance integrated captivating martial arts scenes and operatic songs in Cantonese opera with an exciting yet inspirational drama story.

Global Vision

Three teams heading to U.K., Sweden and Japan are shortlisted and will be offered with a total of HK\$60,000 to support their overseas learning. Through this programme, students will be able to understand different global issues and share their learnings with other HKBU students.

Leadership Development

To nurture future leaders with professional knowledge and righteous values, LQC launches a bespoke programme for HKBU students from 68 secondary schools in Hong Kong to begin a journey to excellence through professional trainings and thrilling learning experience during 29 October - 3 December 2022.
