Poetic Microscope and Colors: from inner self to outer worlds

In April, two exhibitions - [Poetic Microscope](#) and [Colors: from inner self to outer worlds](#), were launched to wrap up the annual theme 'Post-pandemic?' of the Cultural Literacy Programme. In [Poetic Microscope](#), 48 colourful cell images taken by Cell Biology students were displayed at Li Promenade. Nearly 350 visitors have voted for their favourite image. In [Colors: from inner self to outer worlds](#), 10 interactive artworks made by 46 Arts Tech students were exhibited at the iCafe and 180 visitors have voted their favourite artwork. The project provided opportunities for students to learn through new art technology. Click [here](#) for more information.

CEOs Positive Ageing Learners Programme

Since October 2022, 75 elderly and students from [CEOs Positive Ageing Learners Programme](#) have formed Buddy Teams to identify the needs of over 90 frail elderly in the HKBU neighbourhood and propose creative solutions on improving their quality of life. Over 50 home improvement requests were accommodated and 170 thematic care packs were delivered. The Buddy Teams explored positive ageing through service trainings, arts, crafts workshops and local tours, with 1,000 service hours accumulated in this intergenerational community engagement projects in six months. What's New

Cultural Literacy

Have you ever thought of planning and hosting a concert, exhibition, handcraft market and etc.? Here's the chance! In this 4-day workshop, you will explore and experience how to plan a cultural event. [Click here](#) to know more.

Cultural Literacy

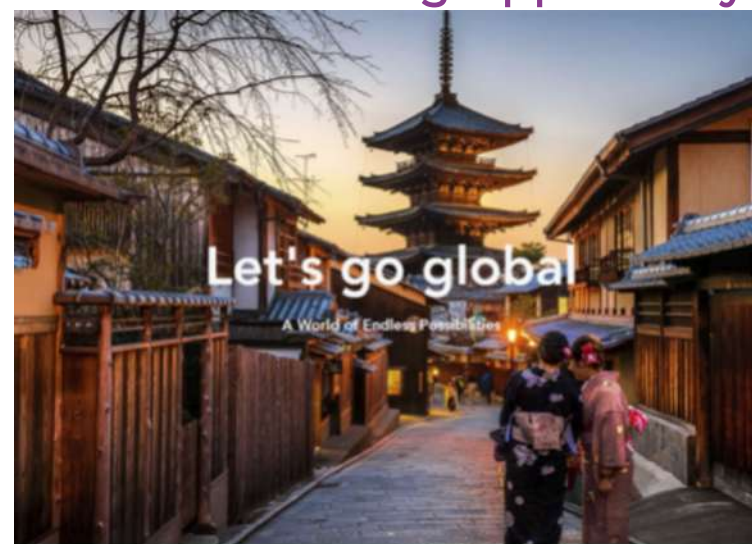

LIVE is organising three Hong Kong Summer Series activities and all quotas are full. If you are interested in arts and culture, you must [check out](#) our upcoming events!

Community Engagement

22 students punched their ways for a healthier body and mind in [PUNCH for Your Health](#) during October 2022 to April 2023. After 16 sessions of Thai-boxing training, students spiced their punches with love and care and shared Thai-boxing and health management skills with 40 underprivileged teenagers and kids. Click [here](#) to join the next phase in September 2023.

External Learning Opportunity

[Asian Youth Leaders Elite Program \(AYLEP\)](#) is a platform for you to gain fulfilling and amazing experiences from Asia to worldwide. AYLEP aspires to develop youth into global citizens with an understanding of the multiplicities and complexities of the world. AYLEP aims to inspire youth to appreciate and embrace colorful lives in different cultures. Click [here](#) to know more.

Highlights

Leadership Development

HKBU was honoured to have Dr. Hon Hoey Simon LEE, MH, JP, member of the 7th Legislative Council of the HKSAR as the Keynote Speaker of the [HKBU High Table Dinner](#). Dr. Lee introduced the future development and national strategy of the Greater Bay Area in his keynote speech, which broadened students' understanding of the opportunities that lie ahead. A total of 120 students, alumni and friends of HKBU joined this signature event on 25 May. They included Mr. Jackson Tin, Honorable Guest from Tin Ka Ping Foundation and Professor Henry Fock, Director of Student Affairs.

Community Engagement

The [Community Experience Project](#) aims to provide volunteering opportunity to students in charitable organisations for not less than 54 hours during this summer. Representatives from NGOs and about 40 students joined the briefing session on 22 May. Students were encouraged to act professionally and proactively for the benefits of service recipients and the betterment of society.

Global Vision

A total of 40 students have been admitted to the [Serve-cation 2023](#). Students will go to Chiang Mai, Thailand and Bali, Indonesia to experience different learning opportunities in areas of traditional culture, ecology and biodiversity. They will be provided with opportunities to serve the local community in Thailand and Indonesia and to share their overseas experiences with HKBU community in the post-trip activities.

ICAC Ambassador

The Independent Commission Against Corruption (ICAC) has been promoting probity messages to tertiary students through the [ICAC Ambassador Programme](#) for many years. This year, nearly 300 students attended 2023's ICAC Week during 6 to 9 March and the ICAC Talk on 21 April to learn more about integrity-related issues.
