Mission

Leadership Qualities Centre
領袖素質中心

In line with the mission of the University to provide a higher education that develops and sustains the integrity of the ***whole person***, and its values of strong commitment to both academic excellence and community service, the **Leadership Qualities Centre (LQC)** aims to empower HKBU students to:

- become committed global and local citizens;
- assume active roles to face and resolve global challenges, and
- become proactive contributors in local community.

6 Areas of Focus

LEADERSHIP DEVELOPMENT

CITIZENSHIP & COMMUNITY
ENGAGEMENT

GLOBAL EXPOSURE

CAMPUS
INTEGRATION

CO-CURRICULAR LEARNING

CULTURAL LITERACY

Objectives

- **Facilitate youth exchange**
促進兩地青年交流
- **Experience the recent development in the Mainland**
親身體驗不同範疇的最新發展

Highlights

AIR SHOW CHINA

- A biannual and the only international aerospace trade show approved by the Chinese central government featuring the display of actual aero products, flying display and performances

Beishan Village

- An architect built from the Qing Dynasty with over 150 years of history revitalized into a youth hotspot with arts, culture, food and entertainment

Highlights

Zhuhai Grand Theatre

- The Zhuhai Grand Theatre, comprising one large and one small “seashell” , is known as the “Seashell of Sun and Moon” . With its distinctive feature, it is a must-go in Zhuhai.

Qi' ao Island

- Qi' ao Island has attractions from traditional houses by the beach and beautiful scenery, to mangrove wetland reserve. It is one of the ideal places for spending a relaxing weekend in Zhuhai.

Highlights

UIC High Table Dinner

- The [High Table Dinner](#) provides valuable opportunities for you to interact with local youth and mingle with employers from different backgrounds, developing your perspectives essential for personal growth and career planning.

Highlights

Kingsoft

- Kingsoft is a leading software and Internet services company based in China listed on the stock exchange of Hong Kong.

Zhuhai Chronicles Museum

- Zhuhai Chronicles Museum is a recently-established museum introducing Chinese cultures and GBA development.
