Dear Residents,

## Arrangements for Adverse Weather or Extreme Conditions

To ensure the safety of Hall residents and visiting students, the arrangements for the **Visitation** and **Guest Pass System** during adverse weather and extreme conditions have been updated. Please visit our [webpage](#) for the detailed information.

As the rainy season is expected to approach soon, you are advised to familiarize yourself with the latest arrangements and take appropriate actions based on the situations. If you have any questions on the above arrangements, please call the UGH hotline at 3411 2600 or email us at [ughall@hkbu.edu.hk](mailto:ughall@hkbu.edu.hk).

Thank you for your attention.

Regards,
