

Dear Residents,

## **Dismantling of Scaffolding on the External Wall of North Tower**

Please be informed that the Estates Office has arranged to dismantle the existing scaffolding and catch fan at the North Tower next week. Details are as follows:

Period: 20 – 26 May 2024 (Monday – Sunday)

Affected Area: North Tower and its vicinity

*Please refer to the [Announcement from the Estates Office](#) for further details.*

During the work period, the affected areas will be cordoned off. Intermittent disturbances, such as noise, dirt and dust near the affected areas are expected. Residents are advised to stay away from the work areas and follow the instructions provided on site.

If you have any questions on the above arrangement, please contact the campus security hotline at 3411 7777.

Thank you for your attention.

Regards,
