

Dear Residents,

Installation of CCTV Cameras in Communal Areas

Please be informed that the Estates Office has arranged contractors to commence the preparation and installation works for the captioned project starting from this week. The entire project is expected to be carried out the entire Summer Break, i.e. from late May 2024 to early August 2024.

During the works, the affected communal areas will be cordoned off. Intermittent disturbances, such as noise, dirt and dust near the work areas are expected. Residents are reminded to safeguard your personal belongings by locking the doors of your bedrooms and taking your valuables with you all the time. Please also be advised to stay away from the work areas and follow the instructions on site.

If you have any questions on the above, please email ughall@hkbu.edu.hk or call the UGH hotline at 3411 2600.

Thank you for your attention.
