

Dear UGH Residents,

FSD Inspection of Fire Alarm System

To ensure compliance with the relevant fire safety laws, standards, and regulations set by the Fire Services Department (FSD), the FSD will conduct the captioned inspection in the Undergraduate Halls for the new project being carried out by the Estates Office near the Halls. Details are as follows:

Date: 19 Jun 2024 (Wednesday)

Time: 9am – 3pm

During the aforesaid period, the fire alarm will be sounded intermittently for testing as opposed to a continuous alarm blast in case of a real fire.

The FSD and the Estates Office staff will visit various floors to check the Fire Alarm System devices during the inspection. Please be reminded to safeguard your personal belongings by locking the doors of your bedrooms and taking your valuables with you at all times.

If you have any questions on the aforesaid arrangement, please contact the campus security hotline at 3411 7777.

Thank you for your attention.
