13. Works within or in the proximity of the Undergraduate Halls

You are informed that and shall acknowledge that the University is almost constantly undertaking works to maintain, enhance and develop its campus and all its facilities, and these works may include but are not limited to construction, renovation, remedial works, repair and maintenance, improvement works or other similar works in whatsoever nature (the Works). These Works may be carried out within or in the proximity of the Undergraduate Halls. While the Estates Office will, as far as practicable, take reasonable measures to minimize the inconvenience and disturbance caused by the Works, you should acknowledge that total removal of such inconvenience and disturbance may not be possible, and they shall agree to waive irrevocably any claim for refund of hall fees, or any right to seek compensation for any loss or damage directly or indirectly arisen out of any inconvenience caused to or suffered or sustained by them as a result of the Works.

Your attention is hereby drawn to the following Work during the Residential Year of 2023/24. You shall take this into consideration before submitting the application, accepting the hall offer and paying the hall fees:

The construction of the Jockey Club Campus of Creativity (JC³), which is next to the Undergraduate Halls and is expected to be completed in 2024/25.

14. Arrangement on Special Circumstances

If there are uncontrollable circumstances and the University makes related announcements, like asking students not to come back, delaying the check-in date or evacuation of the halls, refund of hall fees, if justifiable, can be made at most on a pro rata basis. However, the above suggestion of a possibility of refund by no means constitute a guarantee. You should consider this when you decide on hall fees payment.

You may also note that under very special circumstances, the Hall Management will need to relocate residents to other rooms / floors / residential facilities for various purposes, such as to accommodate urgent repairs and renovations, consolidation in low seasons, quarantine for health protection, etc. You are reminded to consider such possibilities before accepting our offer of residence place.

All personal data collected and retained will be used for processing applications, statistical analysis, management of hall residence including the enforcement of all its related rules, promotion of activities and notifications, contacting Hall residents and their parents/guardian in case of emergency and such other purposes permissible under the Privacy Policy Statement and Personal Information Collection Statement of the University.
