The CEOs Positive Ageing Learners programme celebrated its 2nd anniversary with a Welcome Ceremony on 8th October 2022. 45 students and 28 elderly joined us in the ceremony with guest speech on positive aging and ice-breaking sessions using music and games hosted by our alumnus and student ambassadors respectively.

The cross-generation Buddy Team will work together to serve, support and show care to the elderly in need and at the same time promote positive ageing and intergenerational learning through actions.
