

香港浸會大學優才運動員入學獎學金 HKBU Admission Scholarship for Talented Athletes

Building on the solid foundation of the Elite Athletes Admission Scheme (EAAS), Hong Kong Baptist University (HKBU) has enhanced EAAS and launched the “**Talented Athletes Direct Admission Scheme**” (TADAS) for local talented athlete admissions to full-time UGC-funded undergraduate degree programmes offered by the University via JUPAS or non-JUPAS.

Objectives of TADAS

- To recognize the outstanding achievements of elite athletes in the community;
- To promote the Whole-person Education of HKBU;
- To raise the University sport teams’ performance level;
- To provide scholarship support to Hong Kong elite athletes for studying in HKBU;
- To respond to the Government’s appeal on providing opportunities and supports to elite athletes in tertiary education

Eligibility

This is a university-wide admission programme in which eligible applicants, as listed below, could apply for their interested programmes (not limited to sport related programmes) through the TADAS.

- Any athletes who are eligible to represent Hong Kong in regional and international competitions; and
- Recognized sports ranking and achievements; and
- Nominated by sports institutions such as the Hong Kong Sports Institute or other sports associations; or
- Retired athletes of the HKSAR sport teams who have achieved outstanding results in regional and international sport competitions such as Olympic Games or Asian Games.
- Students nominated under the School Principal’s Nominations Scheme (SPN) under JUPAS or the School Nominations Direct Admission Scheme (SNDAS) will not be eligible for TADAS (i.e. UGC SALSA), and vice versa. In the event that a TADAS applicant is also nominated for SPN/SNDAS, his/her TADAS application will automatically be disqualified.

Admission Scholarship

- Student-athletes admitted via TADAS & SETDAS may be considered to receive scholarships of up to full or half tuition fees (i.e. HKD42,100 or HKD21,050 per year) upon their admission.

- The Scholarship is tenable for the normal duration of the programme concerned, subject to attainment of renewal requirements.
- Two years' hostel accommodation will also be provided in the first two years of study with the second-year subject to availability, on condition that the scholarship is successfully renewed. The scholarship covers tuition fees only.
- Recipients of the scholarship may also receive other scholarships or awards from HKBU or other donors/organisations that subsidise their tuition fee, as long as the total amount of scholarships received does not exceed the actual tuition fee paid. HKBU reserves the right to adjust the scholarship amount accordingly.

Tailor-made Learning Support

- Individualized mentoring support, academic advice, psychological counselling and career planning
- Flexibility in study arrangement to take care of student-athletes' training and competition schedules
- Provision of extension of normal study period

Sport Leadership Program (SLP)

- Preparing the elite athletes to promote "Teamwork" and "Healthy Living", which are two of the seven graduate attributes of HKBU under the whole-person education development.
- Acting as sport ambassadors, the elite athletes will be trained to give talks, public speeches, and sport demonstrations on campus, in schools, and community.

Selection Criteria

- Evidence of sports ranking and achievements
- Interview performance
- Reference / Recommendation letters of coaches and other referees such as former teachers as appropriate
- Self-statement stating applicants' interests, future plans, and the commitment to complete the academic studies
- Applicants will be individually evaluated through a holistic assessment, where academic merits may not be the major consideration. All shortlisted applicants will be interviewed and their individual suitability will be discussed by relevant staff of the university including TADAS scheme coordinators and relevant academic programme staff.

Conditions for Scholarship Renewal

Annual renewal of scholarship, if applicable, is subject to:

- Annual average GPA of 2.30 or above
- Good progress in sport training and performance
- Contributions to the Sport Leadership Programme
